PAPERS IN
PREPARATION

1. *Heterogeneity in Mexican beverage demand: A censored QUAIDS atlas across demographics and survey waves, 2012–2024.*
Solo paper.
2. *Is agricultural insurance a safety net or a net of complacency amidst adaptation to extreme weather events?*
with Francis Tsiboe, Dylan Turner, Katherine Baldwin, and Sharon Raszap.

SOFTWARE
& PUBLIC TOOLS**R & Julia packages**

gravityGE — one-sector Armington-CES gravity model with general equilibrium effects (CRAN; Julia port *GravityGE.jl* on JuliaHub).
censoredAIDS — maximum-likelihood estimation of censored (Quadratic) Almost Ideal Demand Systems (CRAN).

Interactive dashboards

U.S. Domestic Agricultural Trade — interstate agricultural trade flows with gravity / general-equilibrium policy simulation.
 Fertilizer Flows — visualization of global fertilizer trade flows.

AI tools

AI Paper Referee — large-language-model auditor that reviews applied-economics writing against published standards.

FELLOWSHIPS,
GRANTS AND
SCHOLARSHIPS

- The impact of climate change on agricultural production, productivity, and trade (\$403,152) 2023
- Improving the capabilities of global trade models to analyze changes in land use/land cover and green house emissions (\$280,000) 2023
- A global agricultural supply-demand-climate-trade model calibrated to Baseline (\$375,000) 2022
- Towards a data hub of global daily weather forecasts for the ERS (**PI**) (\$30,000) 2022
- ERS’ international supply forecasting (\$30,000) 2022
- International food consumption patterns-implications for global food security and trade (\$25,000) 2022
- The Charles M. Tiebout Prize in Regional Science (\$1,000) 2021
- Cleo Fitzsimmons Award (\$500) 2020
- Agricultural and Consumer Economics Department Grant (\$400) 2019
- Marshall Scott Fellowship (\$4,877.85) 2018
- Brockson Fellowship (\$3,902.28) 2017

	• The Proactive Recruitment in Introductory Science and Mathematics Travel Grant (\$1,000) 2016 • The Proactive Recruitment in Introductory Science and Mathematics Research Grant (\$2,000) 2015 • The John & June Kennedy Economics Scholarship (\$1,500) 2015
AWARDS AND HONORS	• Outstanding Doctoral Dissertation Award, University of Illinois at Urbana-Champaign-ACE 2021 • The Charles M. Tiebout Prize in Regional Science 2021 • Farm foundation Agricultural Scholar 2021 • Most Outstanding Second Year Research Paper, University of Illinois at Urbana-Champaign-ACE 2020
TEACHING AND MENTORSHIP EXPERIENCE	Mentor at ERS Summer internship Kristiina Ala-Kokko (Kansas State University) 2022 Teaching Assistant ACE 240: Personal Financial Planning FA19 Instructor: Paul B Stoddard, Senior Lecturer <i>Lecture:</i> 160 students University of Illinois at Urbana-Champaign, IL Undergraduate Credit: 4 Hours.
